Information provided by the provider describing their agency:

Employment Options provides caring, individualized services to people with disabilities always keeping our primary focus in mind... quality of life. Our mission is to provide a dynamic quality of life to the individuals we serve as defined through the eyes of the individual, with the assistance of family, friends and those identified as his or her team by the consumer.

At our horse farm, we offer vocational and recreational programming on 20 beautiful acres which includes 39 horse stalls, a greenhouse, chickens, guinea pigs and much more. We also operate a florist and gift shop, wood shop, computer and photography lab as well as an extensive array of community experience programming.

Our residential services range from partial day to 24 hour staffed living arrangements. The agency offers high quality housing that is very affordable. Our philosophy in providing residential services centers around relationships... deep, meaningful relationships are emphasized and is an expected and identifiable component of our residential services.
